MASONIC HUMOR

While visiting a newly initiated brother at home one

day, the new brother's wife took me to one side and said her husband had started behaving very strange since joining.

I asked in what way?

She said that he locks himself in the toilet for hours on end mumbling to himself with his little blue book.

Later that evening I turned the talk to lodge, and asked him how he was getting on.
Oh fine was his reply.

I asked him about his behavior and if there was anything wrong.

No, was his reply.

So why read the book there?

Well he said "Its the only TILED room in the house".

A Candidate for initiation was to be picked up and driven to the Lodge, but before this could happen the car broke down. The Candidate said as it was no great distance he would go on his bicycle.

Just when he reached the top of the hill his chain broke. As the Lodge was at the bottom of the other side and all he needed was a backpedal brake, so he repaired the chain with a cord he had in his pocket and free-wheeled downhill to the Lodge.

Later that evening in reply to a toast in his honor, he said how proud he was to be a Freemason but could not understand, as he had told no one, how the WM knew that he had come on his own free wheel and a cord.
