From the East

It is an honor and privilege to serve as Worshipful Master of St. Johns Lodge #20 for 2012. We have a good slate of officers this year who are eager to serve and learn the ritual for our degree work. Our phone numbers are listed in the Trestle Board. Please feel free to call us if we can be of service to you.

We also have a good number of Entered Apprentices and Fellowcraft currently doing their memory work to take their next step in masonry. The officers have met once for a planning session and we have had two ritual practices at this point to prepare for upcoming work, and prepare for our Lodge of Instruction which is scheduled on the EA degree for Tuesday, March 16th at 7pm. We have been meeting on Tuesdays at 6 to work with those who would like help with their memory work and our floorwork.

Our plans for this year include painting the lodge room and finishing our sign with a small sign at the drive entrance. If you haven't been by lately, come by and look at our beautiful stone sign. Bobby Tekulve has finished the electrical and it is quite visible at night. Special thanks to all who worked and donated their time and money to make this happen.

We have another way to stay in touch for those of you online. There is a Facebook page for our Lodge. You may find us on Facebook as St. Johns Masonic Lodge 20. Once you find us, you will need to "Like" us. It is a good way to send group messages and announcements about Lodge activities and requests, and also gives us a way to see what our fellow brothers are up to. It draws us closer, although we may be many miles apart. One of the things that I like about Facebook is that if you're like me, you may not post a lot, but you can still get on there and see what others are doing. We also have a web page which you may access at www.stjohnslodge20.org. We will provide a link to Facebook on that site. I would also like to talk to you by phone or in person sometime during the year to let you know we care about you, our Freemason brother.

I am in awe of the longevity and history of St. Johns Lodge #20. It was founded in the early 1800s by moral, upright men with a belief in God. Freemasonry continues today because of the principals we stand for and the brotherhood and friendships we continue find through our lodge. Let me know if I can help you. You may reach me via email at gderdman@gmail.com or by phone at 812-343-1091.

We Masons, are among the fortunate ones, who are taught to meet together with others of opposing or competitive ideas and yet respect each other as Brothers.

If you want to know where the future of Freemasonry will grow and prosper, it's simple; in the heart, in your heart, in my heart, and in the hearts of those who follow us.
